

# **MOLESWORTH RECREATION RESERVE**

## **NEWSLETTER JUNE / JULY 2015**

### **NEW SHED WORKING BEE , CAN YOU HELP?**

The Committee of Management is currently working on plans to replace the yellow shed near the caretakers residence. There is a working bee planned for Saturday 8<sup>th</sup> August, if you can help, please place your details with the caretakers. Catering will be provided on the day.

### **CAN YOU DRAW PLANS? DO YOU KNOW SOMEONE THAT CAN HELP?**

The Committee of Management is looking to build a new fishing pontoon. However we need some help in drawing plans. Can you help?  
If so, please contact Jason on 0429 956477.

### **KEEP AN EYE OUT...**

There is progress in installing football goalposts at one end of the oval. We hope these provide further enjoyment of the reserve for everyone.

### **FLOOD PLANS FOR GOLBOURN RIVER**

You may have heard there are plans from the Murray Darling Basin Authority for flooding of the Golbourn River in future. The Committee of Management is working with the authority to keep the impact at a minimum for the reserve.

At this stage there is unlikely to be any “man induced” flooding for sometime.

If you have any questions please discuss these with either the caretakers or a committee member.
