### WOULD YOU LIKE TO HELP AROUND THE PARK?

Are you a sparky? A chippie? A painter? Or just handy ?  
Sometimes we need help around the park and would love to have you help.  
If you are interested, we would like to develop a skills register.

All you have to do is email your name and your skill to

[secretary@molesworthreserve.com.au](mailto:secretary@molesworthreserve.com.au)

### KEEP AN EYE OUT...

There are now 3 bins around the park that are designated for recycling aluminum cans. Please only place your cans for recycling in these.

The goalposts for the oval will soon be installed.

We hope these provide further enjoyment of the reserve for everyone.

Also keep an eye out for our Facebook page and exciting Cup Weekend plans.
