

# MOLESWORTH RECREATION RESERVE

## Year in Review 2016

**THE MOLESWORTH RECREATION RESERVE  
COMMITTEE OF MANAGEMENT AND CARETAKERS  
WISH ALL PARK USERS A MERRY CHRISTMAS  
AND A HAPPY AND SAFE NEW YEAR.**

The past year has been busy at the Molesworth Recreation Reserve. The Committee of Management and the Caretakers have worked on various improvements that we hope will make your visit more enjoyable.

Here's some of our achievements:

- Completed works to fire pump and area near river
- Compliance to all relevant DEWLP legislation
- Entered into a contract for regular Inspection and Maintenance of trees within the park
- Goal posts installed on the oval
- Improvements to caretaker's office and residence.
- NBN installed at office for faster service with Eftpos machine
- New carport for caretakers near entrance to park
- New Double shed near caretaker's office
- New oven in the camp kitchen
- New playground installed
- New rainwater pump installed at the camp kitchen
- New signage around the park, including 2 boards with the history of the park
- Park wide fire training.
- Re roofed the caretaker's office
- Upgrade to park electrical structure including main electrical box and installing a power point at BBQ area.
- Upgrade to park firefighting structure.
- Upgrades to Emergency management including signage and plan

There are also a range of current projects that are under consideration and / or being planned:

- Lighting to entrance area
- Upgrade to BBQ area
- Liaising with relevant organisations in regard to adjacent lands and management.
- Liaising with relevant organisations in regard to a new fishing pontoon.
-
